STATEMENT OF UNDERSTANDING AND COMMITMENT
(Please be sure you read this carefully before signing. If you have any questions or concerns, please call.)

1. I understand that I must meet all the requirements for chaplains of the particular military service or civilian institution or chaplaincy membership organization to which I apply. All USA education must be appropriately accredited (generally meaning by regional secular agencies, ATS, or TRACCS). Foreign educational institutions will be evaluated on a case-by-case basis.

2. I understand and authorize that, because of the security requirements of the U.S. Armed Forces (military), and other institutions and organizations (civilian), I may be investigated for criminal and character background information.

3. I understand that, if commissioned or appointed as a chaplain, I will be working with chaplains of other denominations and faith groups, sometimes differing widely with my own views, beliefs, practices, and sexual orientation. While I will not be asked to compromise my own conscience and beliefs, it is essential, by the very nature of chaplaincy, that I consider their ordination and ministry as valid as my own in the U.S. military and/or civilian institutions. I understand that an attitude of superiority or adversarial acts and non-cooperation towards pastoral caregivers and adherents of other faiths, practices, race, gender, or sexual orientation will not be tolerated and is grounds for the immediate withdrawal of my endorsement credential. I have read and I agree to abide they the CSC's Statements of "Faith," "Authorization," and "Record." Further, I realize that I must be willing to hold "General Protestant" worship services as well as those services specifically exercising all my own particular beliefs and practices.

4. I understand that it is a requirement of the Pentagon's Armed Forces Chaplains Board as well as civilian institutions and organizations that the CSC have the authority to issue and withdraw endorsement credentials.

5. I understand that endorsement is a continuing requirement. Should I prove to be personally or professionally, or by other reason(s) unsuited for the chaplaincy and should CSC decide that my endorsement should be withdrawn, I agree to abide by its decision. Additionally, I understand that continuing education and professional development are essential for maintaining high quality pastoral caregiving. [Chaplains only: As such, I agree to promptly seek membership (if I do not already hold it) in an appropriate pastoral caregivers' professional organization. I further understand that the continuation of my endorsement is contingent upon my maintaining membership in an appropriate pastoral caregivers' organization.]

6. I understand that I am expected to be a “Spirit-filled” (i.e., Pentecostal, Renewal, or Charismatic and/or open to being used by and led by the Holy Spirit) minister. This means that I am expected to be able to freely and without reservation confess that “Jesus Christ is Lord, Savior, and Baptizer in the Holy Spirit today. Both natural and supernatural Spiritual gifts are available to believers who believe in them and sincerely seek them.” Additionally, I am expected to exercise my Spiritual giftings in regard to prayer, anointing with oil, etc., when invited to do so.

7. I understand that CSC is dependent on the financial support of chaplains, churches, and friends. I agree to regularly help with the expenses of this ministry. (Generally, it is expected that professional chaplains will pray about and contribute a significant percentage of the tithe that they give from their chaplaincy income — to support this ministry and, thus, safeguard the future of their ability to be responsibly endorsed.)
